PROPERTY MANAGEMENT

Our property management services cater to both local property owners and those residing abroad, handling both residential and commercial buildings.

Through our automated property management system, we ensure accurate and up-to date results.

The automated platform enables owners and tenants access real-time records effortlessly from their own devices with a simple click.

We manage property in different categories:

FULL MANAGEMENT:

Jukiwa's comprehensive services includes rent collection, maintenance and bill payments (water, power, land taxes, garbage and workers).

The owner receives clear invoices and receipts for all payments made.

HYBRID MANAGEMENT:

Jukiwa will handle rent collection and maintenance. The owner is responsible for paying bills related to the property.

PARTIAL MANAGEMENT:

Jukiwa will only manage rent collection, with the owner responsible for maintenance costs and other property-related expenses.

If the property earns a rental income of Ksh 300,000+ jukiwa can give full rent on an agreed upon date.

BUYING AND SELLING PROPERTY ON BEHALF
